Online Services in Alexandria

With Alexandria's *Online Services* add-on, your library can give instant access to thousands of eBooks and digital resources from industry-leading eBook distributors within one catalog! We make it easy for your patrons to find and access eBooks directly through Alexandria.

Benefits of Online Services

- Built-in authentication of patrons during eBook check-outs
- See and report real-time on which eBooks your patrons have checked out
- Minimize errors during inventory season
- Choose the vendors of your choice
- Single source provider and streamlined procurement
- Universal Simultaneous Access (U.S.A.) ebooks
- Mitinet DirectMARC™ imported MARC records
- TeachingBooks™ integrated author resources

Expand your library's capabilities! See how easy it can be to have a modern, engaging library.
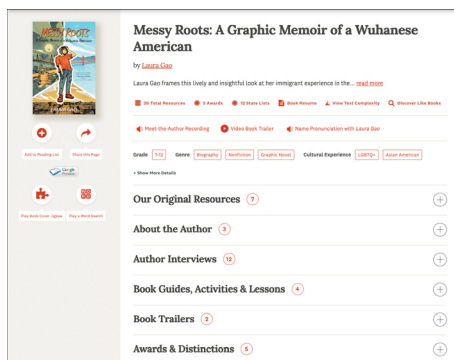

Presto! Your MARC records for your new book order has automatically been downloaded!

Alexandria users that order from any of Mitinet's exclusive vendors, can now have their MARC records directly imported into their Alexandria circulation software.

One-click access to an enriched world of original and curated literary resources.

Alexandria offers an exclusive, ever-growing, and vetted collection of instructional materials focusing on children's and young adult books and authors with TeachingBooks integration.
